Bible Study Method Guide

S

Scripture

While reading your verse(s), write out the scripture or the verse that speaks to you the most.

O

Observation

Write down what you notice or observe. What is happening in the verses? What's God saying to you in the scripture?

A

Application

What's the main takeaway from this scripture? How can you apply this scripture to your life or help others do the same?

P

Prayer

Write a prayer asking God to help you take all that you've learned and apply it to your life. Use the scripture you've studied as a guide for focused prayer to God.
